Kitten/Cat you are interested in adopting:

Your Name:

Your Contact Information: (address, phone, and email)

Current pets in your household:

Do you own or rent your house?

***If you rent you will need to provide a letter from your landlord stating that cats are allowed.**

Are there any house members with a known allergy to cats?

Do you, or any member of your household, smoke?

Will this cat be allowed outside and, if yes, under what conditions?

Will you consider having this cat declawed?

What provisions would be made for this cat should you be gone for more than 24 hours?

Are you interested in showing this pet and have you ever shown cats/kittens? If yes, which organization?

Are you aware of HCM and understand that sphynx should be scanned by a certified cardiologist yearly?

Name, address and phone number of Veterinarian:

How did you locate us? (Via Google search, FBRL, Facebook, at a CFA cat show, etc.)

If referred, by whom?
